The Burnaby Squadron Boating Guide Series is a public contribution from the Burnaby Power & Sail Squadron, a member of the Canadian Power & Sail Squadrons, Pacific Mainland District, to the advancement of "Safe Boating through Education".

The Boating Guides are the result of articles and instructional material prepared by members of the Burnaby Squadron, and contributions received from other members of the Canadian Power & Sail Squadrons and United States Power Squadrons.

The Boating Guide Series is divided into the following categories

- BB - Boating Basics
- EL - Electronics
- EN - Environment
- GN - General
- MA - MAREP
- NA - Navigation
- PR - Marine Protocol
- RA - Radio Communications
- RR - Rules and Regulations
- SS - Seamanship

The Boating Guide Series is posted on our website and can be freely downloaded for personal use by all Power Squadron Members. For any other purpose or use we request that prior approval be obtained from the Burnaby Power & Sail Squadron or the Copyright holder, and when granted its proprietor authorship and copyright be explicitly recognized in compliance with the copyright Law.

Get your PCOC Card. It is the Law.

The Eastern Canada Squadron Pennants is a recopilation of the pennants of the Squadrons of the Provinces of New Brunswick, Newfoundland, Nova Scotia, Prince Edward Island and Quebec which integrate four Districts: Atlantic District, Est. St-Laurent District, Cartier District and Maisonneuve District.

This Boating Guide is published with the collaboration of Bernie Wilcox, of the Kennebecasis Power & Sail Squadron, to honour the Squadrons of this region and enable you to distinguish their pennants as you navigate the waters of Eastern Canada.

Where we were not able to obtain a copy of the corresponding pennant at the time of publication we have made an annotation of "Not Available". As soon as we receive a copy of the pennant this Guide will be amended to include it.

Surf <http://kennebecasis.cps-ecp.org/flagpage.html> and <http://www.burgees.com/> for a magnificent collection and array of pennants and burgees well worth visiting

### Flag Rules for use on CPS boats

Flag or pennant in Order of Precedence	When Flown	Where Flown on Vessel			
		Power Boat with bow and stern staffs only	Power Boat with bow and stern staffs and signal mast	Sailboat Single Masted	Sailboat Two Masted
Canadian National Flag	0800 to sunset. The Canadian Flag is flown at any time when entering or leaving port.	Stern staff	Stern staff	Stern staff, or when under way at peak of gaff-rigged or 2/3 up the leech of Marconi-rigged main	Stern staff, or when under way, 2/3 up the leech of sail on aftermost mast.
Courtesy Foreign Flag	At all times while in foreign waters or if foreign vessels visiting harbour.	Bow staff	Bow staff	At anchor: forestay at 1/3 mast height. Underway: starboard shroud spreader	As for single masted, except flown from foremost mast only.
CPS Flag	0800 to sunset	Bow staff	Starboard shroud or spreader	Starboard shroud or spreader	Starboard shroud or spreader of foremost mast
Officer Flags	Day and night while Officer aboard	Not flown	Masthead	Masthead	Masthead of main mast
Squadron Pennant *	0800 to sunset preferably ***	Not flown	Port shroud or spreader	Port shroud or spreader	Port shroud or spreader of foremost mast
Yacht Club Burgee **	0800 to sunset preferably ***	Bow staff	Bow staff **	Masthead	Masthead of foremost mast
Private Signal	0800 to sunset	Nor flown	Masthead	Masthead	Masthead of aftermost mast

Notes: If more than one flag or pennant is designated for one position, the preferred order of precedence is given in the left-hand column, beginning with the Canadian flag.

\* The Squadron Pennant may be flown only when the CPS flag is flown. Hoist of the pennant not to be greater than the CPS flag flying at the same time.

\*\* Yacht Club Burgee has the same precedence as the CPS flag. A few clubs fly their burgee from the masthead.

\*\*\* Preferred practice, but may be flown day and night while vessel is in commission.

Summerside, PEI

### Squadron and District Pennants:

#### Shapes:

A Squadron/District Pennant is a flag with a hoist measuring two-thirds its fly: (a) Commonly pointed, triangular, (b) often truncated, (c) sometimes swallow-tailed, and, (d) occasionally, a long thin streamer.

To be compatible with CPS Flags, Squadron/District pennants should measure: (a) 8" x 12", or (b) 12" x 18".

#### Size and use of flags:

- (a) Canadian flag: 1 inch fly to 1 foot of length of the vessel.
- (b) CPS Flag: (i) Power: 5/8" fly to 1 foot of length of the vessel.  
(ii) Sail: 1/2" fly for each foot of the highest masthead above the water.
- (c) Squadron/District Pennants. A Squadron or District pennant may not be displayed in the absence of or in lieu of the CPS Flag, and its hoist must not be greater than the hoist of the CPS flag flying at the same time.
