

How to Open MS Office 2007 Word Files in Office 2003 Word (and to work with other types of files created with MS Office 2007)

- 1) Go to the **Microsoft Corporation website**
- 2) Click on **Download Center**
- 3) Request the **Office Compatibility Pack for Word, Excel, and PowerPoint 2007 File Formats** program
- 4) Download and install this program
